*Coyaba. Simply paradise.*

*Come*

*to heaven. Literally.  
Our name is ancient  
Arawak for paradise.  
The comfortable, simple  
pleasures of Coyaba  
Beach Resort are an  
intimate and welcome  
world away from  
the everyday.*

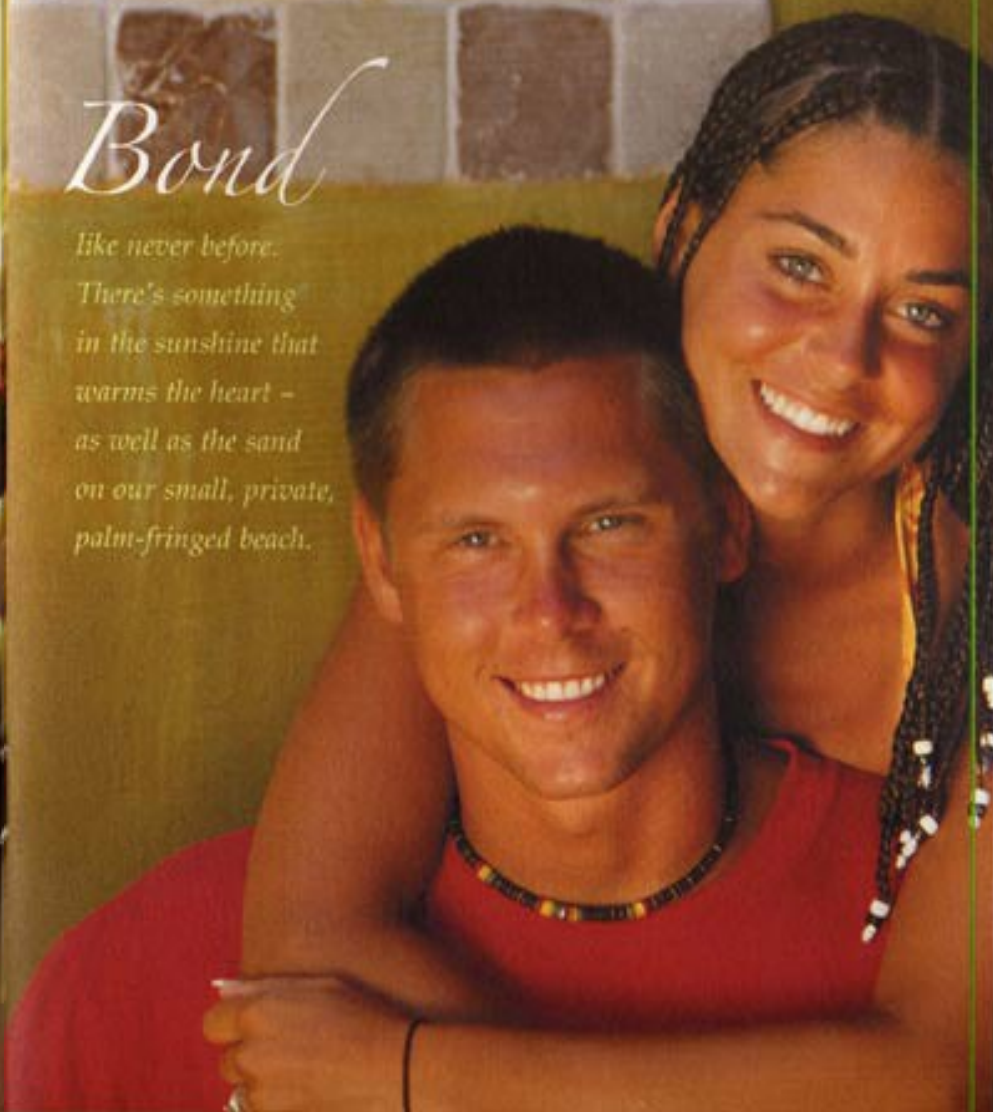

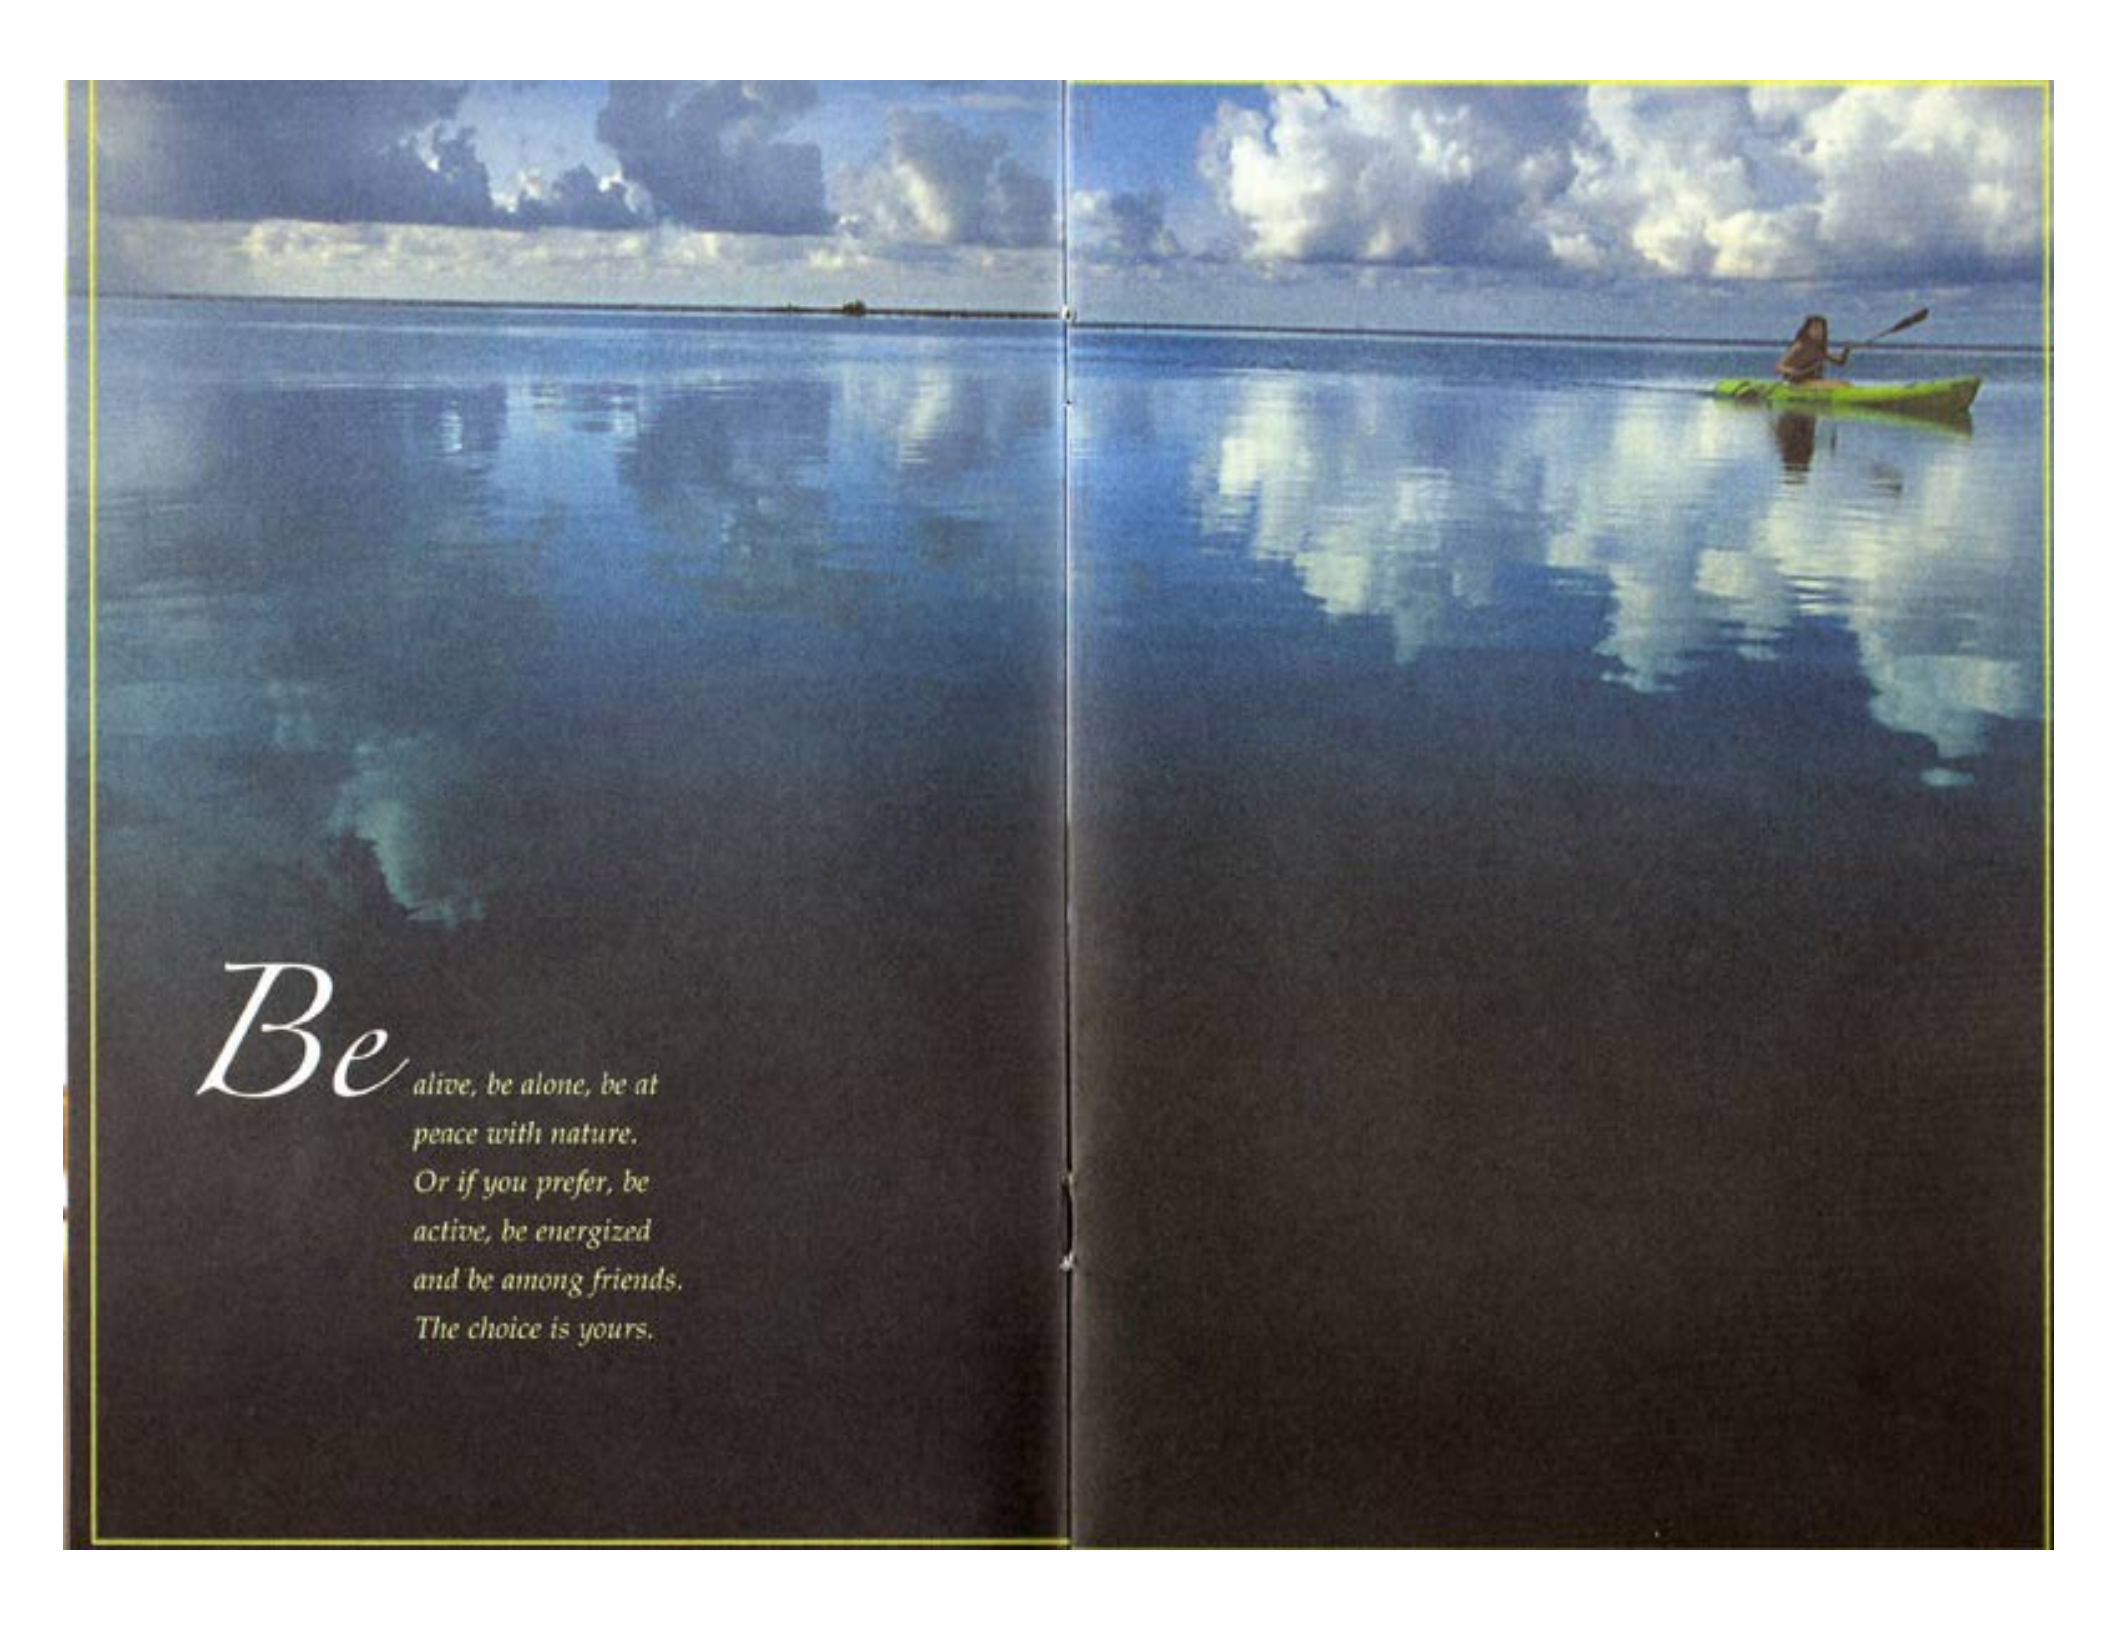

## *Nibble*

*on something you love. Our 50 rooms are served by three restaurants and bars as well as room service, so no matter your tastes, you'll find familiar favorites (and exotic new ones) to tickle them.*

## *Bond*

*like never before.  
There's something  
in the sunshine that  
warms the heart -  
as well as the sand  
on our small, private,  
palm-fringed beach.*

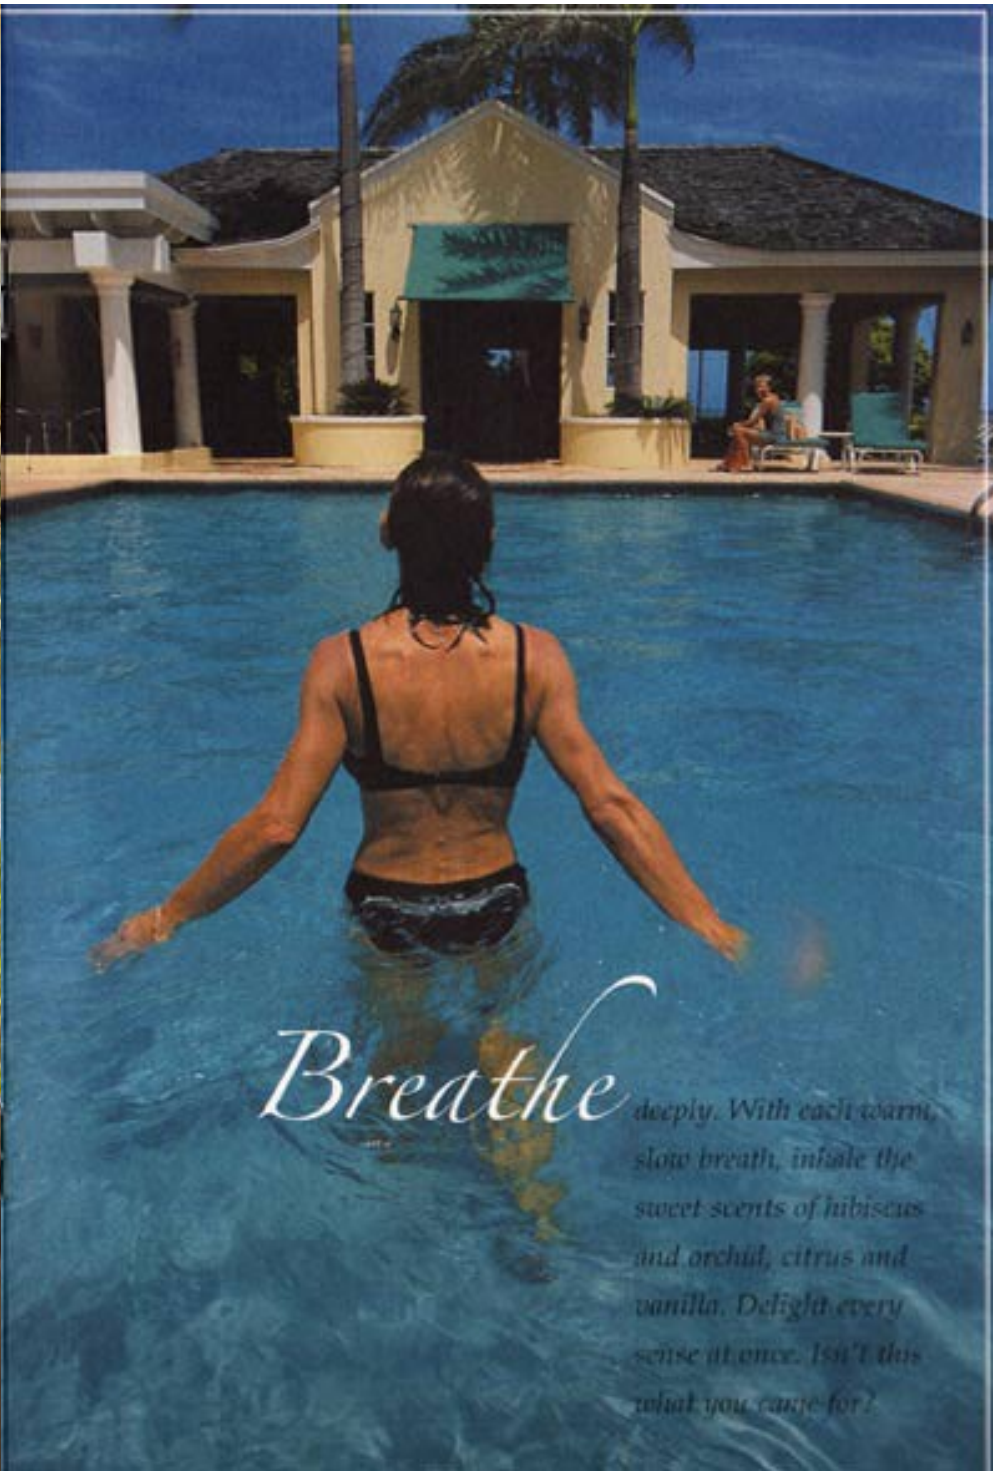

*Be* alive, be alone, be at  
peace with nature.  
Or if you prefer, be  
active, be energized  
and be among friends.  
The choice is yours.

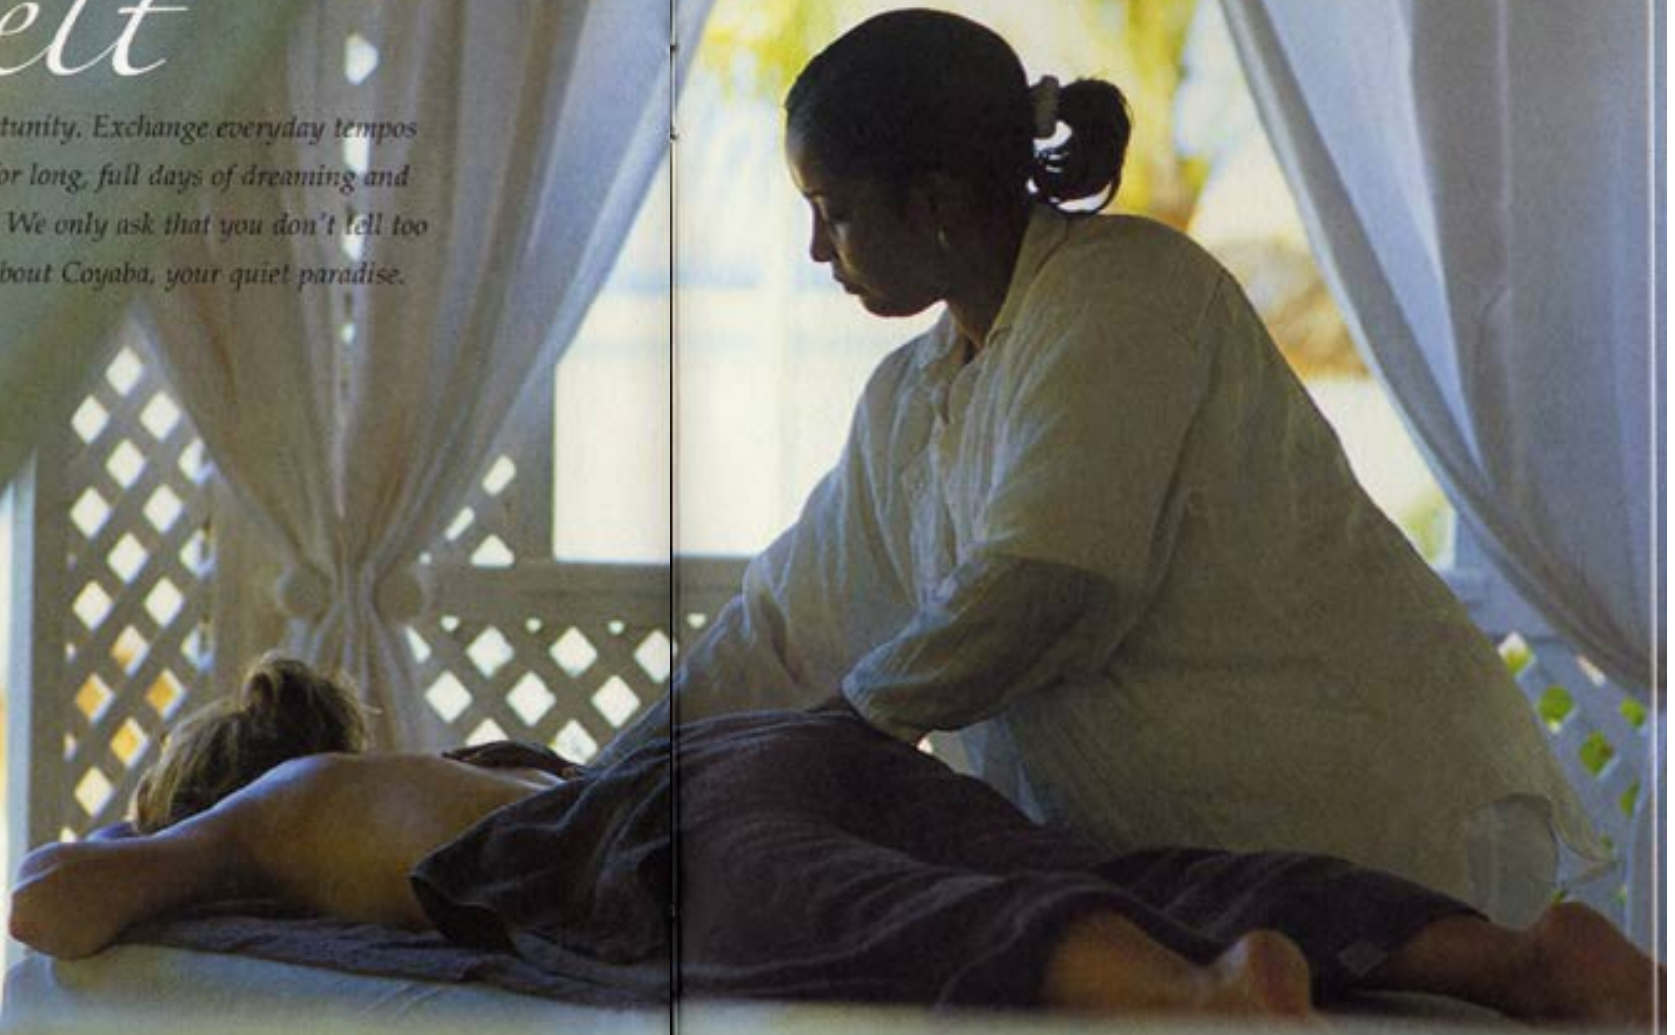

*Laze* away. No agenda is the best agenda for memorable days and nights. Be free from deadlines and demands; free to discover the delights and pleasures that bring you genuine happiness.

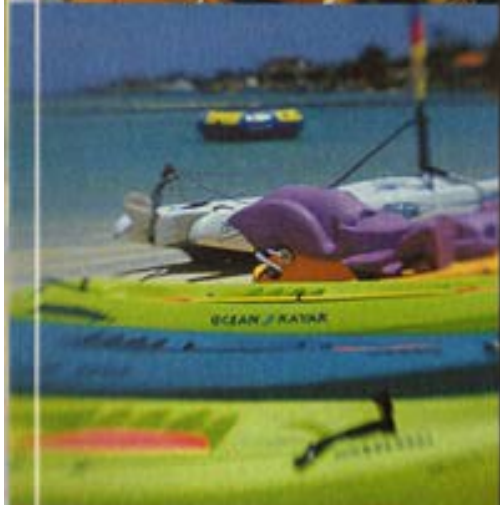

*Breathe* deeply. With each warm, slow breath, inhale the sweet scents of hibiscus and orchid, citrus and vanilla. Delight every sense at once. Isn't this what you came for?

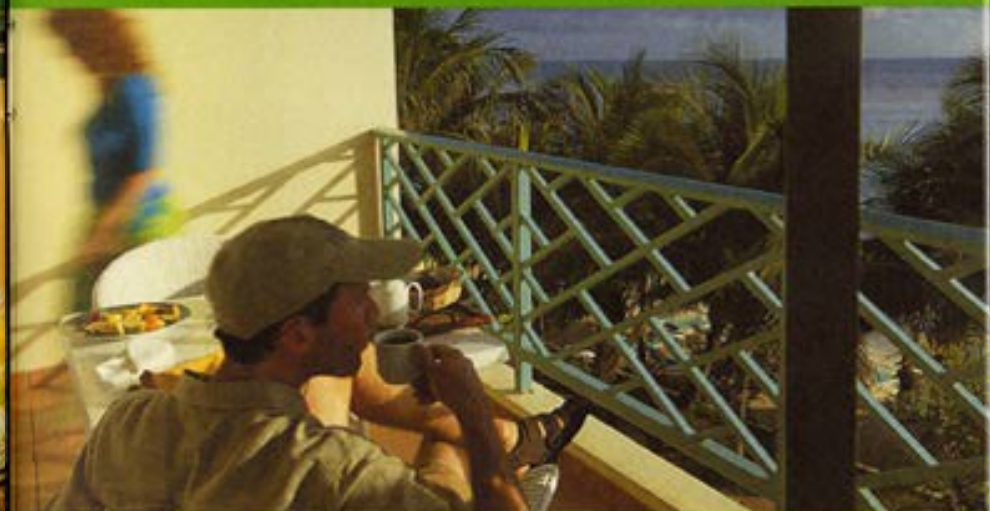

# Melt

*at every opportunity. Exchange everyday tempos and tensions for long, full days of dreaming and other delights. We only ask that you don't tell too many people about Coyaba, your quiet paradise.*
